FENCING

Welcome to **SECURE FENCING PRODUCTS**

We take pride in being the most trusted fencing machinery brand of India. The journey started in 1975 and since then we have earned **47 years of experience** in the fencing industry.

Not only that, we have also established a PAN India Network by setting corporate presence in multiple cities across the country.

What makes us apart is our 3 pillars to success; **Quality, Service & Relations.**

Our vision is to **modernize** and **revolutionize** the fencing industry. And our mission is to keep **innovating** and **building state of the art** products for the fencing industry.

We are thankful to our hundreds of client with over **1000 machines installed** while covering 300+ cities.

RELIABLE & VERSATILE

Semi Automatic Chain Link Machine

Auto Cut Chain Link Machine

- Upgradable to Fully Automatic Chain Link Machine
- Production up to 170 kg per Hour
- New Business' Best Choice

BENEFITS

Manpower

1 machine needs only 1 operator.

Production Cost

1 - 1.5 Rs per kg only (including electricity)
Low maintenance cost.

Capability

Knuckle & twist locking, both are possible.
4mm wire can run very smoothly (150 kg per hour)
Can run commercial wire seamlessly.

Profit and margins

High margins due to low cost of production.
Easy to capture the market.

Operations

Easy to operate.
Can run 24 hours non-stop.
